Date: 16 Mizan, 1402

No	Bidders' Questions	Entity's Responses
1	According to BoQ Schedule No.2 Bullet B item no. 3 (Project Insurance), this is will not apply for this project since the insurance system not available but instead of that bidder can provide assurance letter if during project implementation if accident happens to any workers then the contractor is responsible for treatment.	Project Insurance If the insurance companies are not working in the current situation in Afghanistan and providing of insurance document is impossible; the bidder must provide a commitment letter along with its offer; stating that the bidder takes all the insurance responsibilities of the project by own self. (See the below time extension and amendment 1 table.)
2	The project is very technical and complicated we request to extend the bid opening up to 15 more days to submit a realistic bid.	The time is extended, please see the below time extension and amendment 1 table.
3	If an Electric Company has completed a project as a Subcontractor of an amount of 93 Million Afghanis in 2020. So, is this company qualify to submit it proposal for 110KV/30MVAR Capacitor Bank in Hamesha Bahar Substation of Nangarhar.	In SBD mentioned "Participation as contractor in at least One (1) contract within the last Ten (10) years with a value of at least Fifty Eight Million Six Hundred Thousand 58,600,000 AFN, or two contracts with value of Eighty Three Million Eight Hundred Thousand 83,800,000 AFN that have been successfully and substantially implemented and that are similar to the area of similar experiences"
4	Can a company participate for a 110KV/30MVAR Capacitor Bank in Hamesha Bahar Substation of Nangarhar, if the mentioned company has completed a project of 93 Million Afg in 2020 of the following scope of work.(1: MV line 15 Km, 2: Transformer substation,3: Transformers;400Kv, 100Kv, 50Kv, 4: LV Steel Pols, 5: ABC Cable, 6: Meter Boxes, 7: Single Phase prepaid meters, 8:LV cables of ABC cable 19Km)	In SBD mentioned "implementation of substations projects, or low or medium or high voltage networking projects, or capacitor banks projects."

### Time Extension and Amendment 1 of SBD

Project: Procurement of Design, Supply, Installation, Testing and Commissioning of 110KV/30MVAR Capacitor Bank in Hamesha Bahar Substation of Nangarhar with Ref.No: NPD/DABS/1402/NCB/W-002
